OVEN
PROOF*

All wares (except the non-glass lids) are made from borosilicate glass, which makes them heat resistant. Hence they're suitable for use in the oven.

MICROWAVE
PROOF*

All wares (except the non-glass lids) are made from borosilicate glass, which makes them more resistant to mechanical & thermal shocks. Hence they're suitable for use in the microwave.

FREEZER
PROOF

Since all the wares are resistant to extreme temperatures, they will not break even when the content freezes. Hence, they can be safely kept in the freezer.

DISHWASHER
PROOF

All the wares are made from borosilicate glass, which makes them more resistant to mechanical shocks. Hence they're able to withstand washing in any dishwasher without breaking, chipping or fading

100% HYGIENIC
& FOOD SAFE

Borosilicate wares are non-toxic. They do not leach chemicals into the food. They're also lead & BPA free. Thus they do not retain any micro organisms which could lead to bacterial contamination.

NOT FOR USE
OVER DIRECT FLAME
& HOT PLATE

It is advisable not to heat food in these products over direct flame or hot plate.

*Do not use the lid

La Opala brings to you its newest Borosilicate Cook Serve Store Range.

Made of 100% borosilicate glass, Cook Serve Store products has the ability to withstand extreme temperatures, making it safer and stronger than regular glass. Borosilicate glass is the safest and healthiest option as, unlike plastic or ordinary glass, it does not leech chemicals into the food even after repeated usage. The glass retains its clarity over years of usage.

Borosilicate glass is produced at extremely high temperatures, giving it special properties. It is extremely sturdy. It can safely handle oven temperatures up to 560°C / 1040°F, and withstand temperatures as low as - 20°C / - 4°F. Borosilicate glass can also handle immediate temperature changes of up to 120°C / 248°F. Our borosilicate food storage containers, baking dishes, mixing bowls and casseroles are safe for use in the oven, microwave, dishwasher & freezer.

Our Storage Range of products is airtight, space saving containers which keep your dry foods fresh & your pantry organized. Shaped for maximum space efficiency; these stackable, modular canisters can be completely customized to fit any space. Each size is perfectly calibrated to store common household staples including snacks, nuts, rice, pasta, desserts and more.

Our wide range of Bakewares includes different sizes of mixing bowls, casseroles and dishes of various shapes & sizes.
