

LA OPALA®

Scratch Resistance*

The extraordinary glazing fired under highly controlled conditions ensures strong resistance to scratches and abrasions.

Dishwasher Safe*

Advanced technology and process used for tempering ensures far greater resistance to impact and thermal shock to make Diva range safe to use in the dishwasher.

Microwave Safe

All our range of products are completely safe to use in the microwave.

Super Light*

The European technology used to craft these products ensures much lighter and significantly thinner wares with almost zero surface porosity.

Super white*

Enhanced whiteness is an outstanding feature with the Diva collection. We use the finest quality of chemical components to enhance the subtle glow of opal, making it whiter than ever.

100% Hygienic

The special glaze fired at high temperatures not only gives all our products a smooth and polished finish, but also ensures a non-porous surface for higher levels of hygiene.

Toughened Extra Strong*

In comparison to normal annealed glassware, the Diva tempered opal glassware has greater resistance to impact and have a longer usage life.

Bone Ash Free

Our products are completely bone ash-free, meaning 100%-vegetarian.

Break Resistant

In an unlikely event of breakage, Diva tempered opal glassware shatters into harmless fragments, in contrast to the annealed glassware.

LA OPALA®

In 1988, La Opala was the first to introduce opal glass technology in India. Since then, it has had a finger on the pulse of the Indian lifestyle market and emerged as the most popular and No. 1 Tableware brand in the country. To offer a wide range of products to our consumers, we have regularly introduced several collections and product variants.

'La Opala' is the flagship brand of the company and caters to entry level dinner sets, plates, bowls, coffee mugs and other products.
